

Join the Acden Team!

We pride ourselves on offering our employees a dynamic, rewarding and healthy work environment. If you are looking for diverse experience and an opportunity to grow within your role and the company, Acden is for you.

As a leader in sustainable development, we are constantly looking for innovative ways to create value through environmentally responsible energy development. We encourage our employees at every level to share ideas on how to improve the corporation and minimize the impact we leave behind.

At Acden, you will be given the tools and support to make meaningful contributions to your career and to your company. You will also become a part of a corporation that believes in productivity coupled with balance and that wants their employees to be successful.

Join us today!

With 18 companies and over 3000 employees, Acden is one of Canada's largest Aboriginal companies.

Acden Tech Sonic Limited Partnership is a leader in the innovative use of green technologies for the design and development of industrial ultrasonic cleaning solutions. Acden Tech Sonic operates in the heart of Alberta's oil sands.

Its industrial ultrasonic cleaning facilities offer green solutions for the removal of heavy oils, bitumen, grease and other refinery-grade contaminants from large and small scale processing equipment.

Acden Tech Sonic is committed to further develop green industrial cleaning technologies that will create safe and energy efficient alternatives for processing facilities and heavy manufacturing sites around the world.
